On September 19, 2001, RealEnergy Inc. filed a petition to modify Decision 01-03-073, the Commission's interim opinion on implementation of load control and distributed generation initiatives. By this ruling, I am shortening the comment period on this petition.

Comments are due by October 5, 2001. Replies are due by October 15, 2001. All comments shall be filed at the Commission's Docket Office and served electronically on all appearances and the state service list in this proceeding. U.S. mail service of the comments is optional, except that one hard copy of the comments shall be mailed to me at PO Box 210, Volcano, California, 95689.

In addition, if there is no electronic mail address available, the electronic mail is returned to the sender, or the recipient informs the sender of an inability

to open the document, the sender shall immediately arrange for alternate service (regular U.S. mail shall be the default, unless another means—such as overnight delivery—is mutually agreed upon). Current service lists for this proceeding are available on the Commission’s web page, www.cpuc.ca.gov.

Dated September 21, 2001, at San Francisco, California.
